Dear Parents / Carers,

Pupil Safety

We have had an incident where an unknown man has come to school at the end of the day and tried to take some children from the class teacher. The staff members did not know this man and would not let him take the children. We phoned up the parents and kept the children in school until they arrived. The police have been informed of the situation and are dealing with the matter.

It is vital that:

- We have a correct phone number for parents / carers.
- Parents and carers give teachers space in classrooms and in the playground to dismiss the children without distraction.
- Do not try to take your child from the teacher without letting the teacher know.
- We will not let a child go with any adult unless we know them or have been made aware of different arrangements for collection.

Thank you for your support in keeping all the children safe.

Parent meeting

School is working with Rochdale Council to develop ways to keep children safe at groups and clubs outside of school. I am looking for parents / carers to come to this meeting to discuss ideas with members of the Council. The meeting is on Wednesday 4th October at 2pm.

If you are interested in attending, then please complete the slip and return it to school.

Yours sincerely,

A handwritten signature in black ink that reads 'E. McPherson'.

Mr. E. McPherson
Principal

I will attend the Rochdale Council focus group meeting on Wednesday 4th October at 2pm.
