

Deeplish Primary Academy Sports Premium Spending Statement 2018-19

What is the Sports Funding?

The Government is providing funding of £150 million per annum to improve the quality of sport and PE in primary schools.

Our PE Vision

At Deeplish we endeavour to ensure that teaching and learning opportunities in PE are high quality, meeting the needs of all pupils to enable them to reach their sporting potential. We provide a broad and balanced P.E. curriculum throughout the school both within school time and outside of school hours. We believe that physical education and sport contribute to the holistic development of young people and through participation in sport and physical education, our pupils will learn more about key values such as teamwork, fair play and respect for both themselves and others. As well as improving the academic outcomes, in areas such as writing, of pupils by ensuring that the children have concrete experiences from which to base writing on.

Sports Premium Priorities

1. To increase the number of experiences children have of outdoor sports.
2. To develop cultural capital – children have greater life experiences out of the Deeplish area.
