This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated Primary PE and sport premium guidance.

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

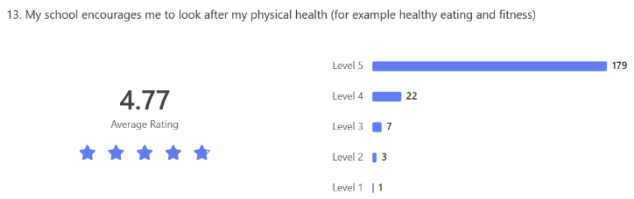

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future.

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

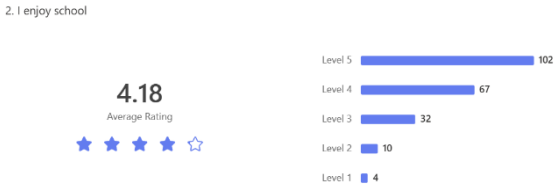

Review of last year's spend and key achievements (2025/2026)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Activity/Action	Impact	Comments
Promote Active Living through School and community wide initiatives (Sports leaders & Modeshift STARs project)	• Pupil voice demonstrated that children rated 'My school encourages me to look after my physical health' as 4.77/5.  • 3/3 Years groups have completed the scooter games with Your Trust. • • 2/2 Year groups have participated in Balance bike sessions and have learnt how to ride a bike. • 20/20 children's bike have been serviced as part of the Dr. Bike session	Sports Leaders will continue to promote active travel by encouraging pupils to walk, cycle or scooter to school. Scooter Games will continue to be delivered for pupils in Years 2, 3 and 4, supporting increased physical activity while developing confidence, coordination and safe use of scooters. Balance bike sessions will continue to be provided for Nursery and Reception pupils to develop early cycling skills, balance and confidence. A further Dr Bike session will be arranged in response to the positive uptake of the previous session and continued interest from parents.
Continue the dance scheme to support consistent, high quality dance provision across the school.	• Staff voice shows that teachers across all 6 year groups have increased confidence in teaching dance. • Pupil voice demonstrated that children rated 'How effective the dance scheme is' as 4/5.	The dance scheme continues to support consistent delivery across all year groups. Staff feedback shows increased confidence in teaching dance and the scheme provides clear progression and structure for lessons.

	• 6/6 Year Groups who were taught dance were able to make the links between their dance lesson and the topic that they were learning in class. • 6/6 Year groups are receiving two hours of PE each week.	Will continue to monitor the teaching of Dance.
Provide extra-curricular opportunities for children to enable them to access other sporting activities or specialist sport instruction. Swimming Data

Meeting National Curriculum requirements for swimming and water safety.
Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

Question	**Stats:**	**Further context** **Relative to local challenges**
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	%	*Use this text box to give further context behind the percentage.* *e.g., 30% - we are struggling to get pool space due to our local pool closing so we have had to use a much smaller local school pool. We have had to limit the number of pupils attending swimming lessons during one term which means some pupils have attended fewer swimming lessons than others.*
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	%	*Use this text box to give further context behind the percentage.* *e.g., Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2024*

What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	%	*Use this text box to give further context behind the percentage.*
If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?	Yes/No	
Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?	Yes/No
